AIR CADETS REPORT GRAND TIME AT CAMP

A grand time and an education for all was reported by Fred Thompson on his return from Trenton with No. 277 Newmarket Lions squadron. Mr. Thompson, holding the rank of flying officer, was in charge of the 40 air cadets who went to camp from the local unit.

"The boys were given instruction in station administration, armament, meteorology, aircraft recognition and drill," Mr. Thompson said. "They were shown all about the station. They saw the fire fighting unit, the parachute packing section, link trainers and shooting ranges. They also were taken for short familiarization flights."

"In the evenings, there was swimming, the theatre and sports."

"On our way to the camp, we were met by members of the Lions club, who, along with ladies of the Veterans' Association, provided us with a lovely lunch which was greatly appreciated."

Officers who accompanied the boys to camp were: F.O. H. M. Gladman, F.O. W. H. Garrett, P.O. R. C. Morrison, P.O. W. Lockhart and Instructor Charles Jamieson.

Public, High School Pupils Make Annual Trek September 5

School days! School days! Again they roll around and another crop of tiny tots will experience a grave bewilderment as they go up those huge stone steps of the schools on the first day to learn such formalities as holding up hands before they speak.

Some will be too shy to talk, others will be too excited to stop talking. But for all, it is a memorable day.

Those who have been there before will find that some of the rooms have been decorated, others plastered.

A new teacher, Miss Alice Clarke, will be at King George school to teach household economics. Miss Barbara Sutcliffe will be the new teacher at Stuart Scott school.

Mrs. J. C. R. Edwards, chairman of the public school board, said a study of the heating system now in use has been made.

"As yet the report has not been laid before the board," said Mrs. Edwards. "No change will be made this term."

"One board member has moved away from Newmarket, and though we haven't received any resignation there is likely to be a vacancy," said the chairman.

"We have received the resignation of Mrs. M. B. Seldon who taught music in the schools. As far as making a replacement goes, we intend first to have a representative of the department of education come to talk to the board on the value of having a music superintendent in the schools."

"With school opening, our new health nurse, Miss Jessie Smith, will begin an extensive program of work," continued the chairman.

"The board is very eager to obtain the use of the arena one day a week for the pupils," Mrs. Edwards said.

J. O. Little Gets Fish—Smallest, Not Largest

Every fishing trip is usually accompanied by a "fish" story about the big one that got away. However, J. O. Little came back from an eight-day fishing trip on Sunday evening with a "fish" story in reverse. Mr. Little had the honor of catching the smallest fish ever caught in the lake. It was a sunfish and would just fit on a 50-cent piece.

The fishing party included Mr. and Mrs. Little and Mr. and Mrs. John Booth. The trip was spent at Halls Lake and Little Hawk Lake. Besides the sunfish, they were able to catch trout and bass. Mr. Little said he could not speak too highly of the accommodations at the lodges in the district.

WINS WINGS, COMMISSION

Andrew R. Murdison received his wings at Hagersville, Ont., last Friday. He earned one of the 13 commissions appointed and will report to Mailand, N.S., on Sept. 9 for his G.R. course.

BUYS HOUSE

Wm. Mackie, Newmarket, recently purchased the house on Niagara St. formerly owned by Norman Williams.

With the opening of school next Tuesday, hundreds of Newmarket children will once again begin a year's trek back and forth from those founts of knowledge.

For the older ones, the beginning of a new term lends eagerness to finding out about new timetables, new teachers, new classmates, and perhaps even changes in last year's curriculum.

What's it all about this year? As he assumes his new appointment as principal of Newmarket High, J. W. Lockhart reveals some of the plans to be instituted there.

Grade nine pupils will receive instruction in educational or vocational guidance. The course is designed to ascertain what talents and aptitudes are possessed by each student in order that he might be directed into the profession or skilled trade in which he is most interested and where he is most likely to make a success.

Educational guidance classes have been held in high schools in Toronto, East York, Hamilton and London for the past year or two. The pupils learn what would be required of them in various types of work and the instruction is followed up with aptitude tests.

Physical training this year will vary from the routine of other years. From the original three periods a week it has been expanded to five, of which two will be drill periods. One period will be given to each of cadet training, health, and national defence. The latter, for boys only, is either a course in meteorology or navigation. In its place girls will be given two health periods.

During his school years Mr. Lockhart played rugby and baseball. He says he hopes to see Newmarket high school participate in competitive sports.

The trigonometry course to be taught this year includes part of the old upper school physics course which was changed last year.

Other new members of the staff of Newmarket high school will be G. E. James, physical training and history, Miss Elsie Roberts, Latin, and Miss Janet Stewart, girls' physical training and history.

Plans for commencement exercises will be made when the staff arrives in town for the new term's work.

A. N. Belugin, chairman of the high school board, says that in past years an amateur play, valedictorian addresses, and presentation of prizes won the previous year, have been the main part of the commencement exercises.

"The board is looking forward to another good year for the air cadets," said the chairman.

Refinishing of the gymnasium floor is the only improvement that has been made on the high school building other than its annual housecleaning.

49TH MEETING HELD BY FREE METHODISTS

By REV. M. F. BENN
The 49th annual session of the East Ontario conference of the Free Methodist church was held in Newmarket, Aug. 18-20.

Bishop L. R. Marston, having two conferences to attend at the time of the East Ontario conference, appointed Dr. Carl L. Howland, Minona Lake, Indiana, to act as president of the conference. He proved himself to be a very proficient and satisfactory presiding officer. There were five sittings of the conference and they were very harmonious with the business of the conference being handled with dispatch.

The town council of Newmarket appointed Reeve Fred Lundy to attend the first sitting of the conference and deliver an address of welcome which he did in a very excellent manner.

The Christian church granted the conference the privilege of using their spacious church for public services, the Free Methodist church being too small to accommodate the general gathering. The use of the Christian church for the public services was greatly appreciated by all.

The people of Newmarket and district opened their homes and provided lodging and breakfast for the preachers and their wives as well as quite a number of visitors, and the conference supplied dinner and supper for about 135 to 140.

Two fraternal delegates were present from the Wesleyan Methodist church and they addressed the conference. Rev. J. F. Gregory made suitable reply. Rev. E. A. Cooper represented the men in the service and Rev. F. J. Jones represented Lorn Park college.

The weather Sunday was ideal and the crowds were large. The services began with an old fashioned love feast or fellowship meeting in which a goodly number participated. At the close of the love feast, Dr. Howland preached a masterly sermon using Acts 1:8 for a text. A missionary rally was held in the afternoon and Mrs. Root, missionary recently returned from India, gave the principal address. An offering and subscription was taken for missions.

New Camp Padre Veteran Of Battle Action In Italy

Honorary-Capt. Norman Allen Healey, recently returned from active service in Italy, is the new padre at Newmarket military camp. Capt. Healey is on leave of absence from the United church at Schumacher.

Following his enlistment, Capt. Healey was stationed with an infantry unit at Camp Borden. Later he transferred to a mobile unit and proceeded overseas with them upon requests of the men in the unit. He spent two months in England and when the men left for Italy, he went with them. While in the front lines in Italy, Capt. Healey suffered shrapnel wounds. "They were not serious enough to send me home," says the captain. A breakdown in health was the

cause of his return, he explained. On his way home, Capt. Healey arrived in England the same day as the "buzz" bombs did and was knocked off his feet by one. He remained in England seven days before proceeding to Scotland, where he left for Canada. Capt. Healey arrived in Toronto on July 6.

Capt. Healey said that the robot bombs are strengthening rather than weakening the morale of the English people. Canadian boys are the finest soldiers in the world when in action the captain said.

Capt. Healey is 34 years of age. He is married and has one small daughter, Suzanne, two and a half years old. He hopes to bring his wife and daughter to Newmarket to live.

ARMY FINALS TONIGHT

Camp Borden No. 2 C.A.C.T.R. will play Newmarket No. 23 at Fair grounds at 6:30 p.m. in the second game of the finals tonight. These two teams battled to a five-all tie in the first encounter and a battle royal is promised.

Pop Can Still Hit 'Em, Midgets Lose Out, 9-3

In an interesting hardball game at the Stuart Scott school grounds last night the old timers proved too much for the young ones and came through with a 9-3 decision to give the 1944 midget champs a few lessons on the game.

The old boys, despite thinning hair and tightened joints, showed traces of their old forms. Grandpa VanZant, clouting a home run, found the jaunt strenuous, and was helped home from second base by Blight and Palmatier.

The youngsters are confident with a full aggregation on hand, the old timers can be beaten and are out to prove it next Tuesday evening.

TOWN GIRLS TROUNCED BY ALL-STARS, 15-9

By DEL GIBNEY
Sh! Sh! Don't speak of it above a whisper! But the factory All-stars handed the Town girls a setback by trouncing them 15-9 in a seven-inning softball game at the Stuart Scott school grounds on Tuesday evening. The teams each have won one game in the best three out of five series.

Now that the formerly unbeatable Town ladies have lost a game, there will be more enthusiasm on their part and better ball will be the feature for the balance of the series.

In the first inning the Town kids nipped the first batter at first, allowed the second to the initial sack and making a double to end the opening of the first half.

In the second, from the moment Charlie VanZant called "play ball," the All-stars clouted the ball and before the inning was through had touched Agnes Wilnot for eight runs to put them in the driver's seat with the Towners making the circuit for one run.

The All-stars, seven runs to the good and led by Margaret Hisey on the mound, began to play real ball and for four innings held the Town kids to four runs while gaining five for themselves and increasing their lead by nine making the score 12-4.

In the fifth, the Town kids made a bid for the leadership but the good pitching of Marg. Hisey and superb fielding of Mary Moore held them to five runs for the remainder of the game, during which the All-stars increased their lead by two.

Every member of the All-stars played good ball and were swinging the hickory like veterans. They say: "We did it once, we can do it again."

Mayor Dr. L. W. Dales told The Era and Express this week that, in his opinion, one of the town's most pressing needs was an organized program of community sports and entertainment for both old and young.

Having key roles in such a program would be a community swimming pool and community rink, Mayor Dales said. "In a few years, no self-respecting town will be without its pool and rink. All authorities are agreed on the need of recreation after working hours, which have been shortened, and the need of clean entertainment for youth in return for their contribution to this terrible world war."

"Such a program would be, in a very real sense, a promise to the youth of this town that their needs and development will not be forgotten. This is an obligation that has already been earned by the sacrifice of youth on the fields of battle. They saved this country and for once let their elders, who are in the position to help, realize this obligation and solemnly try to keep it."

"I am asking citizens of Newmarket to discuss this matter, the pros and cons, in the columns of The Era and Express."

As a site for a swimming pool, Mayor Dales suggested that Widdifield park might be filled with dredgings from Fairy Lake, and landscaped. The Newmarket arena could be taken over and operated by the municipality. A town-appointed manager could be installed to handle rink business and organize sports and entertainment. The rink could be used for dances, bingos, carnivals and roller-skating as well as ice sports. A complete year-round recreation and entertainment program would, in the mayor's estimation, amply pay for the cost of operation and in a few years defray the original investment.

Mayor Dales emphasized, in outlining these proposals, that they were to be considered as suggestions inspired by a definite need. He stressed again that he was dependent on the criticisms and opinions of the citizens to establish the worth of this plan. However, the mayor, for himself, firmly believes that such plans as he has put forth have a definite place in the community life.

"This is not a financial loss that the community is risking," he declared.

"All the town has to do is to back the plan." The revenue produced will be strictly accounted for and will be returned to the public treasury and in at least ten years, Newmarket will possess a recreation centre the envy and admiration of all towns our size and larger.

"This is not a dream but a sound financial proposition with a moral obligation honored and in time paying cash dividends."

GIRLS' FINALS FRIDAY

At 6:45 tomorrow evening the Town ladies will play the factory all-stars at Stuart Scott school grounds in the third game of a best 3 out of 5 series.

THURSDAY, AUGUST 31, 1944

WHAT DO YOU THINK?

Two weeks ago, Mayor Dr. L. W. Dales asked interested citizens to discuss with him, in the columns of The Era and Express, the proposal to build a modern swimming pool and to purchase the arena as a community rink.

There has been no response. Possibly cooling weather, while turning our thoughts from summer splashing, has not been so extreme as to interest us in winter sports. Yet the mayor's proposals are matters of community interest and worthy of every citizen's attention.

In this week's columns, Mayor Dales has enlarged further on his proposals. He envisions a community swimming pool and rink as playing major roles in a community sports program designed for the welfare of the town's children and adults.

Nothing can be done to implement such a program until the majority of the townspeople are satisfied it is worth the investment. To help determine whether or not such a program is feasible, The Era and Express opens its columns to letters, pro and con, which might help council and townsfolk reach that decision.

Mayor Dales has suggested a community project in the interests of the community. How does the town of Newmarket regard his proposals?

STEP RIGHT UP, FOLKS

We are going into the library business. We have no other choice. There is such an accumulation of literature on our desk that either we lend it out to our readers or be buried under it all, to be exhumed and put in a museum centuries later as an example of a weekly editor of the Publicity Age, circa 1944.

Every day, The Era and Express receives, through the mails, pamphlets, publicity releases

and party propaganda by the pound. We have saved it all because we had thought we might review the more promising items and pass on the results to our readers. But we hadn't a chance. The stuff comes so fast we are left way behind. So we are stacking the worthwhile pamphlets and releases in the office and inviting our readers to help themselves. The only obligation is to bring back what you may borrow.

There is quite a wide range to the reading. There is everything from the monthly statistics of Canada at war, post-war planning, committee reports of various nature and political speeches to communiques direct from party H.Q., designed to turn the erring ones back to the road of righteousness and truth, and hearten the faithful at the same time.

Incidentally, don't blame us because C.C.F. literature predominates. It just happens that the C.C.F. is more prolific in their literary out-pour, apparently feeling they have more to say than the other two parties. Anyway, it is all here at the office. Drop in and help yourself.

WORK IN PROGRESS

We are indebted to News, Toronto, for the following description of work in progress at Sunnybrook Park, site of the new army hospital, construction of which, to ease the congestion at Christie Street, was promised without delay ten months ago.

Construction trucks seen arriving at Sunnybrook Park early in the morning of Wednesday, Aug. 13, went away again, leaving behind one toolshed, one saw, two small tractors, parked near the south fence of the property. There was no further activity till Sunday, Aug. 19. In mid-afternoon of that day, half a dozen carloads of interested citizens gathered to study the hospital construction work officially described as "started" at Sunnybrook, Monday, Aug. 12. When the sixth car had brought its load of observers, the two small tractors went into action. Roaring across the sand field from the south they started chasing each other around and around a small hillock of topsoil which marks the approximate centre of the Sunnybrook hospital site. They didn't pull graders, they didn't push ditchers, they just ran around and around the mound in the middle of the sand lot, raising clouds of dust, making a noise and wasting fuel oil.

Tiring of this show after a time, the observers started their cars and, one by one, moved away. When the last car was gone, the two small tractors trundled back to their parking place and shut off.

There was no further activity to report from Sunnybrook at the time of issuing this late bulletin. But the two small tractors, the toolshed and the saw were still in position at the hospital site.

By Wednesday morning, some progress had been made in the excavation for foundations for a heating plant and up-patients building. No reply to a letter asking Premier King to see for himself the conditions at Christie Street hospital has been received.

POT POURRI

By GOLDEN GLOW

The forest fire, as a result of our long hot spell, have been exceptionally bad this summer and Newmarket had a narrow escape from a similar tragedy this past week. Everything is as dry as can be and folks have been warned over and over again to be careful. I don't know how many were started, but luckily for all concerned it happened in the middle of the day and neighbors gathered quickly and put it out before it had too much of a head start.

I did not say where you'll wonder! It was out in the woods south of Gorham St. towards Bogartown—near the delightful bungalow of John Lister and the residence of Dr. and Mrs. Edwards, east of the stream. The townsfolk were pretty well excited, very well belated, for there are many beautiful homes on Gorham St. east. The town firemen were notified and were all ready with stirrup-pumps to do what they could with water from the stream.

The lovely old woods we used to call Bogart's woods in our young days deserve a better fate than being burned down in a forest fire. That night we had a heavy shower which was certainly welcome and made certain the fire was stamped out.

By the way, somebody wants to know where I went berry-picking. After I'd written about my experience in that line, she said she had had a similar experience, only worse, for she and her sister had filled their pails and thought they might as well fill the little cups they used to gather the berries. Alas! When they went to get their pails after filling the cups they were in time to see a tremendous pig polishing off the last of the two lovely handfuls of berries. Yes, that's the experience I had as a shade worse than mine with the cow!

She may be interested to know it was the Gamble woods, west of Sir Wm. Mulock's summer home. If ever there was a lovely spot that is one—and quite close enough to town for anyone with a car to enjoy, for you would not need a great deal of gas to go there and back.

There is a most gorgeous view from the top of a hill there—on a clear day you can see Glenville and its rugged hills, Holland Landing beyond and Bradford beyond that again, and away to Lake Simcoe. In the autumn, when the maple and sumach trees have turned red, it is a sight unequalled anywhere. It is a sort of semi-circular bowl, and you look away, way over the tops of huge trees with elms, maples, evergreens, with the sumach and other smaller trees filling in between.

I was quite surprised at the interest shown by the townsfolk in my last two articles and many have told me they are sure you boys overseas will be glad to learn of all the little changes and improvements in dear old Newmarket since you left.

I know a good many of you will have seen the wonders of old towns and cities in England and now Italy and France, while before that many of you boys were stationed in Iceland and in Africa, but Newmarket still is home and Main St. will look mighty good to you, I know. The black-out we all know must be very trying and the double daylight saving—oh, I believe you have gone back to just daylight saving now this month! Dear me! What a topsy-turvy world. Do you think we will ever get back to normal?

And another place you'll appreciate is the town hall. The town fathers (don't you love to hear them called that, our town council?) and the Horticultural Society joined in renovating and beautifying it and the result, I assure you, is a satisfactory both inside and out. Inside it has been brought up to date with every accommodation—up to date heating and the place kept heated constantly, for the police headquarters are now established in the south wing and in the winter court is held upstairs in the hall.

But it is the outside that today made such a vivid impression on me that I feel I must tell you about it. Today, Saturday, Aug. 28, in spite of the long heat wave we've just come through, the shrubs and the grass, and especially the flowers, were perfectly lovely. The Horticultural Society several years ago undertook to put window-boxes on many public buildings—now besides the window-boxes at the town hall there are beautiful grassy plots all round and especially in the market square, fronting on the police headquarters.

There are many shrubs now past flowering time, but still with luxuriant growth, but the petunias everywhere—blossoming so profusely—no vividly—and of every shade grown, even to the pretty striped ones. I saw more lovely petunias too this morning growing along the west side of the Free Methodist church and the houses next door on both sides.

I wonder have I space to tell you of my visit to see Verne Scott's minks. Verne will be home from overseas this week, we hear, with a disabled left arm, and he will be pleased I know to see his hobby of raising minks carried on by his parents and sisters for him in his absence overseas. It was an eye-opener for me to see the little creatures—the young ones played like kittens.

I was an interested spectator when they were fed their evening meal. They are in cages made of chicken-wire, and their portion was laid on the wire and it was great to watch them reach up quick as a flash, take a bit and dart back to shelter at the rear to eat it, then like a flash dart out again for more. It was interesting also to hear them

returned from Jackson's Point after a week's vacation.

Mr. and Mrs. W. L. Kidd have returned from Muskoka, where they spent some of the holidays. The Inspector for the Workmen's Compensation Board visited the various industries in Newmarket on Wednesday.

MARRIED—At the home of the bride's parents, Toronto, Aug. 18, 1919, Miss Flora Isabel Spence to Mr. Ernest Byron Pegg, formerly of Holland Landing. Rev. Mr. McKay of Chalmers St. Presbyterian church officiated.

THE COMMON ROUND

By ISABEL INGLIS COLVILLE

IT CAME AGAIN

For a good many years I have taken great pleasure in writing of the Pine Orchard Women's Institute Grandmothers' meeting.

It is the August meeting and is invariably held at the home of Mrs. Charles Flintoff, now of Newmarket, for the members at her invitation have followed her there year after year, for this particular event.

It has always been of interest for no matter what the program might be into it always came reminiscences from the lives of the older grandmothers and one sensed something of the pioneer spirit that faced difficulties with cheer and made necessities seem like luxuries.

This year, although the atmosphere resembled that of a Turkish bath, the members of both east and west Institutes turned out to do honor to the grandmothers.

In these war days, the business of the Institute has assumed greater importance. We do not think solely of what will benefit our neighborhood or the few charities which the Institutes as a whole have always supported—our thoughts and modest resources range over Europe and the seven seas. In a word, we are broadening out. Our contribution of sugar for jam for Britain was acknowledged and plans were made for the two Institutes to pack more ditty bags than heretofore.

The disposition of the reserve book fund was also discussed in connection with any work which might be undertaken in connection with the Pine Orchard Union church and a satisfactory conclusion arrived at.

Following this, the program, which was to a great extent in the hands of Mrs. Reuben Hawtin, was presented and it was a delightful departure from our ordinary programs. Second and third grade readers of forty and fifty years ago had been resurrected and from these poems of "grandmamma" had been taken a verse from different ones used as a contest.

This was done by imitating words and having the members fill them in and it was surprising how many were able to do so correctly.

Strangely enough, I couldn't remember those at all but COULD recollect the Bugle Song. Wreck of the Hesperus and The Children's Hour, from the same books.

The Bugle Song with its marvellous imagery always fascinated me and I took a morbid delight in the Wreck of the Hesperus. But here are the grandmother poems and their readers, for they were read after the contest was over: Grandmamma, Mrs. Weidler; The Old Armchair, Mrs. W. Williams; Grandmother's Chair, Mrs. Colville; Great Grandmamma Ann, Mrs. A. Fenner; When Grandmamma Was a Girl, Mrs. Hawtin.

And just so that grandpapa would not be slighted, Mrs. J. Hope read, also from one of the readers, Grand-

"sing for their supper"—you'd swear it was a pack of starlings or some other birds, unless you were right there to see for yourself. It was a most interesting experience. Cheerio!

THE DIFFERENCE

The village blacksmith had taken his 10-year-old son across his knees and was making vigorous contact between a stoutly soled slipper and the seat of the youngster's knickers. Just then the parson popped up and started to admonish him.

"If you are powerful you should also be merciful," said the good man, "and always allow the spirit of youth. The day is already waning; see to it that the sun descends not upon your

wrath." "You've got it all wrong, rector," said the horny-handed one. "It's not the sun that's going down on my wrath. It's my wrath wot's going down on the son."

TO THE EDITOR

Editor, The Newmarket Era and Express: Not that Premier Drew and the Minister of Agriculture, Colonel Kennedy, with imagination and foresight, are planning to form a group for research work to be known as The Ontario Farm Chemistry Council it is to be hoped that we shall soon have a dog repellent to protect our sheep.

There are dog repellents on the market for shrubs and flowers, so why not for sheep? A spray that will not irritate or damage the wool.

Considerable money is paid out through our county and township council meetings to reimburse the farmers for their sheep killed by dogs. The money might better be spent on substandard bridges or grading side roads.

Yours very truly,
M. Daly Hopkins.

MARRIED—At the residence of the bride's mother, Belhaven, on Wednesday, Aug. 22, 1894, by Elder J. H. Shoults, Rev. G. O. Black, Niagara Falls, N.Y., to Miss Rebecca Morton, daughter of the late John Morton, Jr., of North Gwillimbury.

The subject of street lighting is the all-important topic of discussion on the streets this week. We would not like to see the town without street lamps entirely, yet it does seem that in the face of the large public debt and the present hard times we are throwing too much money away on this luxury.

Buses are serving in the ranks for the duration.

They're on the go transporting groups of sailors, soldiers and airmen from centre to centre, and serving men and women on leave.

You'll agree that this is one of the most important jobs right now—even if it does mean that your bus service

has been curtailed and that you may have to put up with some inconvenience and delay.

However the future does look bright for bus travellers. Already Gray Coach Lines is planning a fleet of smart new buses for peacetime. Then, once again, you'll enjoy the thrill of carefree highway jaunts.

It's Charlie Spivak and his orchestra who furnish the scintillating musical embellishments to "Pin Up Girl," new technicolor musical, starring Betty Grable. The picture will play Wednesday and Thursday at the Strand theatre. Also featured in the gay extravaganza are Martha Raye, Joe E. Brown, Eugene Pallette and the Skating Vanities.

**TWENTY-THREE
LAST WEEK**

One of the members of No. 23 was honored the past week, having been awarded the British Empire Medal. Tpr. Lepper of the pay office received a telephone call from Col. Drury informing him through the adjutant of the honor bestowed upon him for a deed of gallantry performed while Lepper was attached to Brantford basic training centre. Tpr. Lepper helped to pull an airman out of a flaming crashed plane which fell near the training centre. No. 23 extends to Tpr. Lepper a sincere "well done."

As previously reported, the camp hardball team trimmed No. 3 C.A.C.T.R. team here in camp on the evening of the 14th by a score of 7-1. On the evening of the 17th, the team knocked No. 3 right out of the play-offs by a score of 13-5 in a game played on our lower diamond here. The team is now bracing itself for other crucial play-off games.

The 15th, being pay day, saw considerable extra-mural activity provided for the personnel of camp. Right after supper crack teams from the regimental provost staff and the school of instruction took to the softball diamond for a game which proved long on score and was won by the school by a narrow margin. It was noted that Lieut. White's face was much brighter than it was during the course of a previous game with C squadron.

After the show everyone took to the drill hall to see the revue. Red, White and Blue, which was highlighted by an act from the army show and the navy. Before the show, Col. Young presented our decathlon winners with colorful sweaters emblazoned with the letter N. The colonel expressed the hope that our next decathlon would see the entire unit as contestants.

On the evenings of the 16th and 17th, the camp was granted special privileges to attend the Newmarket Lions club carnival and street dance, which was held in Lions Park, Newmarket. All funds raised are to be devoted to the good work the Lions are famous for doing and for that reason and because of the fun everybody always has at a Lions carnival, the camp felt it a privilege and pleasure to spend its money on the Lions. It is rumored that one of the lads in the pay office walked away with one of the big prizes in the monster draw.

During the course of the week, Capt. Mallett, officer commanding the Upper Canada college cadet corps, could be seen travelling around with Capt. Paton observing methods of training and tucking away many a little tip to pass along to his instructors when school commences again this fall.

On the 17th the district education officer paid the camp a visit as did Capt. F. N. Taylor, transport officer for No. 2 Coy., R.C.E., Toronto. In the evening B and C squadrons clashed in a softball game on the lower diamond which turned out to be one of the best games the centre has witnessed this season. Lieut. White, who suffered a humiliating defeat at the hands of C last week, bet his shirt on B. It looked for a long time as if the proverbial good luck of Fred White would come through again, but near the end of the game C came up from away behind to win by one run. The score finally stood at 12-11 in favor of C.

The 18th seemed to be visitors' day at camp. Major Middlebro and Capt. Downey appeared early to officiate at a standing court martial. Then Major Campbell of Aurora arrived with Col. Edwards, the district ordnance officer. Lieut. Nash, ordnance, Major St. Laurent, C.W.A.C. staff officer, and Lieut. Barber, the officer commanding C.W.A.C. at Aurora. However, as everyone knows who has ever visited No. 23, visitors are always welcome here.

Training started on the morning of the 19th with the showing of the famous British security film, Next of Kin, cautioning the troops again not to mention military matters while on leave or at any time, for that matter. In the afternoon, the usual outing was arranged for those on pass with nowhere to go at Lake Simcoe. Another softball game was played with the Salvation Army at the lake and everyone expressed themselves as having had a satisfying time.

On the morning of the 20th, Sunday, one of the local ministers of Newmarket, Mr. McMahon, conducted services for the lads, while in the afternoon, Sgt. MacDonald of D squadron arranged a softball game for the boys not on leave between 13 and 14 troops of D squadron. The boys taking part in the game were newcomers to the camp and certainly entered into the spirit of the game. If they display the same spirit in training, they'll be budding stars. Thirteen won the game by a score of 9-6, but Mac assures us it could just as well have been 14.

On the evening of the 21st, about 80 men from the Aurora salvage depot reported at the centre to begin their annual training. These men are all tradesmen, doing extremely necessary salvage work, and appreciate the opportunity of keeping up with their military training. Expert supervision will be provided by Lieut. Bertie Shaw, who has just completed the supervision of a course for our own tradesmen. The second course here will be handled by Lieut. Bob Allan.

Mrs. B. O'Leary, who is ill in St. Michael's hospital, Toronto, is reported to be slightly improved.

Mr. Alan Tomes, Hamilton, is vacationing with his grandparents, Mr. and Mrs. H. Tomes.

Medium eggs brought 33 cents to 38 cents a dozen and large eggs brought 40 cents to 45 cents a dozen on the local market on Saturday morning. Chickens were 32 cents a pound. Butter was 40 cents a pound.

Windfall apples were 25 cents a six-quart basket and hand picked apples were 30 cents a six-quart basket and \$1.25 a bushel. Cantelopes were ten cents each. Pears were 40 cents a six-quart basket.

Onions were 45 cents a six-quart basket. Corn was 25 cents a dozen. Beets were five cents a bunch or 25 cents a six-quart basket. Marrows were ten cents each. Sweet peppers were three for five cents. Carrots were five and ten cents a bunch. Potatoes were 30 cents a six-quart basket.

TORONTO MARKETS

Butter, creamery solids, No. 1, brought 34½ cents a pound on the Toronto market on Tuesday. Creamery prints, first grade, were 35½ cents.

Country dealers were quoted on graded eggs, cases free, delivered to Toronto, as follows: grade A large, 40 to 41 cents a dozen, grade A medium, 39 cents and grade A pullets, 30 cents. Nominal prices to the shipper.

for poultry were: spring broilers, 2 to 2½ pounds, 23 cents a pound; fowl, over five pounds, 24 cents a pound; chickens, over five pounds, 29 cents a pound.

Weighty steers sold at \$10.25 to \$12.50, butcher steers and heifers at from \$9 to \$11, with a few at \$11.50. Butcher cows were \$7.50 to \$9, canners and cutters from \$4.50 to \$7. Bulls sold at \$6 to \$8.50 and stockers from \$6.50 to \$9.50.

Calves were steady at \$13.50 to \$14.50 for choice, with common vealers downward to \$7. Grass calves were mostly \$6.

Hogs were steady at \$17.85 for grade A; sows were \$13 dressedweight.

Lambs were steady at \$13 to \$13.50 for good ewes and wethers, \$12 to \$12.50 for bucks, \$8 to \$9.50 for culls. Sheep were weak at from \$2 to \$5.

TWO KINDS OF "PREMISES"

One day on the street Charles Lamb watched two women leaning out of windows on opposite sides of the thoroughfare, gesticulating wildly and hurling insults at one another.

"Ab, look," remarked Lamb, "these women will never get together, for they are arguing with each other from different premises."

**NOTICE TO EMPLOYERS
AND THEIR MALE EMPLOYEES**

By an order signed on August 15th, 1944, by the undersigned Minister of Labour under authority of National Selective Service Mobilization Regulations:

1. Commencing August 22nd, 1944, every employer is required to check the documents held by each newly engaged male employee, within 7 days of the employee's engagement, to determine if such employee possess documents to show that he is in good standing under National Selective Service Mobilization Regulations (that is, in relation to the Military Call-up);

2. Every employer must report on Schedule 9 to the Registrar for his Mobilization Division, concerning any employee found not to possess documents as referred to;

3. Every employer is required similarly to check the documents held by each male employee newly engaged between May 1st, 1944, and August 22nd, 1944, and to report to the Registrar for his Mobilization Division by August 29th, 1944, on any such employee found not to possess documents as referred to;

4. Any male employee here referred to, is required by the Regulations to present his documents to his employer for purposes of inspection;

5. Penalties are provided for any employer or male employee who fails to comply with these Regulations.

By an earlier order, employers were required to check the documents held by their male employees, and to report by May 1st, 1944, on doubtful cases as well as cases where employees did not possess documents. The procedure for the present continuing check, although being notified to employers in "Notice to Employers and their Male Employees", which is now being mailed, is identical with that set forth in "Employers' Guide", which covered the check made before May 1st, 1944.

Employers are asked to remember that they do not report on men who do possess the necessary documents—only on those who fail to present documents for examination, or where there is doubt that the document presented actually proves good standing.

The employers of Canada co-operated very satisfactorily on the first check, made up to May 1st last. This co-operation was decidedly helpful, and is very much appreciated. Further co-operation is now earnestly requested.

Schedule 9 and details as to documents which prove good standing, are available through the Employment and Selective Service Offices.

Car Stolen In Toronto
Found Stripped At King

County Constable Aubrey Fleury is investigating the theft and dismantling of a car stolen from a Toronto man and abandoned last week in a bush on the 7th concession of King. Tires, fenders, head-lights and parts of the engine were removed and the doors and trunk broken with an axe.

The vehicle was stolen in Toronto and brought to King township, where near-by residents discovered it. It is thought the thieves used another car to cart their loot away. Constable Fleury warns motorists to watch their cars as there is an epidemic of tire stealing in York county.

Lake Wilcox Golfers Win
Trophy On Fourth AttemptKENNETH JONES
IS WED IN TORONTO

Riverdale Presbyterian church was the scene of a pretty wedding Wednesday evening when Lillian June Morrison, youngest daughter of Mr. and Mrs. Adam Morrison, Toronto, became the bride of LAC Kenneth Jones, Winnipeg, eldest son of Mr. and Mrs. Harry Jones, Aurora. Rev. A. G. McPherson performed the ceremony.

The bride, given in marriage by her father, wore a white sheer gown. Her finger-tip veil was caught to her head with orange blossoms. She carried a spray of red roses.

The bridesmaid was Miss Audrey Morrison, sister of the bride, who wore a floor-length gown of blue net over silk. She wore a floral headress and carried a spray of pink gladioli and blue delphiniums.

Harry Jones, Gormley, cousin of the groom, was best man. The ushers were David Harris, cousin of the bride, and Paul Jones, cousin of the groom.

At the reception following the ceremony, Mrs. Morrison, mother of the bride, received wearing a blue ensemble with black accessories and a corsage of red roses. Mrs. Jones, mother of the groom, assisted, and wore a green ensemble with brown accessories and a corsage of yellow roses.

Later the bride and groom left for northern Ontario. For travelling the bride chose a pea-green crepe suit with white lace trim, black accessories and a corsage of orchids.

RECEIVES WOUNDS

Mr. and Mrs. Joseph Sutton, Schomberg, have received word from their son, Tpr. Bill Sutton, who was reported wounded in France a few weeks ago. Tpr. Sutton was wounded in the neck with shrapnel. He reports that he is getting along fine.

Fire of an unknown origin caused several thousand dollars damage on the Woolley Farm at Oak Ridges on Saturday afternoon. The barn, three hay stacks, part of the 1944 crop, as well as a bull and some implements were destroyed. The residents were away at the time. Neighbors who discovered the blaze were successful in removing the stock and part of the implements.

The Aurora fire brigade answered the call and fought the blaze for some hours, preventing it from spreading to adjacent buildings. Lack of water handicapped the brigade in their work.

SCHOOLS OPEN SEPT. 5,
EXPECT MORE PUPILS

Once again the approaching fall finds a group of young people who have completed their education at Aurora high school seeking new careers. Four of the girls have decided upon school teaching as a career and will enter Toronto normal school. They are Jean Patterson and Mary Annan, Aurora, Verna Bryson, Maple, and Marjorie Kitchen, Schomberg.

University courses call another quartet. Of the girls, Shirley Fingold will commence a commerce and finance course and Alice Clark an arts course. Harold Moddle will enter arts at Victoria College and Lawrence Maughan will enter a chemical engineering course. All will attend the University of Toronto.

The armed forces have been entered by three of the boys. John Crysdale, top-ranking student of the '44 class and winner of the John Stuart scholarship, and Gibson Smith of Schomberg are already well advanced with R.C.A.F. training. Douglas Clarke enlisted with the navy and is stationed at a Nova Scotia centre.

Ross Atkinson, because of the ill-health of his father, will postpone further academic studies and manage the family farm. Bruce McGuire expects to remain in the dairy business.

A sad ending to a promising career came a few weeks ago when John Sutherland was drowned near his home. He had successfully completed the upper school examinations.

Three boys and one girl who lack complete standing or only took part of the upper school examinations are expected to return to school.

CHANGE IS MADE IN
KING INSPECTORATE

The public schools of King township will this year be under the jurisdiction of Inspector O. A. McKillop as part of York No. 1 inspectorate. King schools were originally in the inspectorate until about ten years ago when the department of education placed them in conjunction with the South Simcoe inspectorate. The change, it is thought, will be more in keeping with the various schools and boards' immediate relations, and with the high schools where the pupils all attend.

Whether or not there will be part of the present inspectorate, which includes Markham, Vaughan, Whitby, East Gwillimbury, Richmond Hill, Aurora, Newmarket and Stouffville schools, assigned to another inspectorate is not known, but it is not thought likely.

Dr. C. J. Devins Will
Visit Medical Districts

Dr. C. J. Devins, president of the Ontario Medical Association, leaves on Saturday for an official visit to Fort William and Sault Ste. Marie. He will attend the sessions of medical district No. 9 at Fort William on Sept. 5 and will be guest speaker at a dinner. He will be at the Soo on Sept. 7 to meet with the medicos from district No. 10. He will return to Aurora late next week and on Sept. 13 will be guest of honor of the local district No. 5, which will hold sessions at Willowdale.

There are 11 medical districts in the province. Mrs. Devins will accompany Dr. Devins on his trip to north-western Ontario. Dr. Devins is the first Aurora or district physician to have been similarly honored by his professional colleagues.

OFFERS SUGGESTIONS

Deputy-Reeve William Offord, Midland, a brother of Aurora's John Offord, has been attracting considerable attention in Simcoe county with two of his recent proposals. Mr. Offord suggests the formation of a county police force to have complete jurisdiction over all police matters. The matter will likely be discussed at the next session of Simcoe county council.

The donation of free building lots from lands owned by Midland to the municipality's returning service men, who are desirous of building homes in Midland, is a proposal that has won considerable approval around Midland and is being studied by the Midland council.

C.C.F. DELEGATE

Dr. G. A. C. Guntton has been appointed the official delegate from North York for the national convention of the C.C.F. which will be held in the province of Quebec this fall. Each federal riding is entitled to one official delegate. Major A. H. Woods, C.C.F. candidate in North York, will also attend.

Tom Raeside Now WoundedCOL. ARMSTRONG DIES
IN ACTION IN FRANCE

Lieut.-Col. Robert W. Armstrong died in France on Aug. 20. Lieut.-Col. Armstrong, who was 34, was educated at St. Andrew's College, Royal Military College and Osgoode Hall. He was a prefect at St. Andrew's College and prominent in athletics. A brother-in-law, Pte. John Coulson, Aurora, is serving in Italy.

Vandorf Team Defeats
Sharon By 8-7 Score

In an exhibition fixture at the Aurora town park last Thursday, Vandorf softballers edged out Sharon 8-7 in a close contest that was called because of darkness. Sharon, who had the longest distance to come, got here on time, but Vandorf delayed the start. Morley Cook, Vandorf, arrived in time for the fourth inning and drove home the winning run. Batteries were: Sharon, Glover and Roy Eves; Vandorf, Botham and Case.

Vandorf softballers took Sharon into camp 13-10 in a fast 11-inning softball match over the weekend. Botham and Nigh formed the winning battery, with Jennings being the star for the winners.

MAKE FINE SHOWING

St. Andrew's College senior matriculation results this year showed 90.3 percent passing the papers written. Of these over 50 percent passed with first class honors. C. W. Edlis, Toronto, led the school with ten firsts. Eleven pupils tried the examinations.

HONOR BRIDE-TO-BE

Mrs. Forrest Toole tendered a miscellaneous shower last week in honor of Miss Marguerite Preston whose marriage takes place next month. The event, which was widely attended, was held at the home of Mrs. Marshall Yake.

PURCHASE RESIDENCE

Mr. and Mrs. Joseph Fleury have purchased the Fleury estate residence at the corner of Church and Victoria Sts.

Aurora public school will reopen for the fall term on Sept. 5, Principal J. G. McDonald expects between 375 and 400 pupils in attendance, about the same as last year. There is no change in the teaching personnel this year. Mr. McDonald enters his 36th year as principal of the Aurora school. The staff includes Delroy Babcock, Mrs. Donald Webster, Miss Elsie Legge, Miss Marian Jefferson, Miss Genevieve Robinson, Mrs. Stephen Komar and Misses Hazel McBride, Isobel Hayes and Marian van Nostrand. Illyd Harris will, of course, not be available as musical director.

About 40 are expected in the first year. Mr. McDonald stated that no children under six years of age would likely be accepted as pupils.

"We have found that the suitable age and there are sufficient children six years of age to fill the first year," Mr. McDonald said.

For some years past Aurora school children have been receiving a certain amount of religious instruction from the ministers of the town, free from any denominational viewpoint, so that whatever religious instruction is directed by the department of education, it will not be new for Aurora.

"It has worked well," Mr. McDonald said.

First and second form high school pupils will start school on the same date, while a week later the senior pupils will come back. Chester Greenwood of Milford Bay will replace Fred Harvie as science master and P.T. and cadet instructor. The rest of the staff consists of Principal J. H. Knowles, Wilfred Adams, Roy Faulkner, Arnold Miller, Misses Gladys Humphrys, Grace Griffin, Helen Morphy and Mrs. Jean Cameron.

Wilfred Adams will be in charge of the educational guidance classes one hour a week, during which pupils will be given the benefit of vocational guidance. No religious instruction will be taught in the high school this year, Mr. Knowles said. Registration is expected to be slightly higher than last year.

Mr. and Mrs. James Raeside
received word last week that their son, Cpl. Thomas Raeside, has been wounded in action in France. It is thought Cpl. Raeside is in hospital in England.

Cpl. Raeside, who is 22, attended Aurora schools and was one of the most promising young cyclists in Ontario when he enlisted in May, 1941. He trained at Camp Borden before proceeding overseas in October, 1941. He was employed with the T. Sisman Shoe Co. before enlisting.

A few days previous to learning that their son was wounded, Mr. and Mrs. Raeside had received a German flying officer's hat badge sent by him from France as a souvenir.

Eaton Hall Is Turned
Over To Wounded Tars

Eaton Hall was officially turned over by Lady Eaton as a convalescent home for Canada's convalescent sailors last Thursday. George McCullagh, Toronto publisher, chairman of wartime convalescent homes, received the key and then presented it to Vice Admiral G. C. Jones, C.B., chief of naval staff.

Lady Eaton inspected the guard of honor from H.M.C.S. York and was presented with a bouquet of flowers by one of the new patients, S.A. L. D. Jones, who was in a wheel chair. Naval personnel are moving into the residence this week and the district will soon see many more of Canada's wounded sailors recuperating among the beauties of North York.

MRS. MURRAY IS ILL

Mrs. James D. Murray, Wellington St., who underwent an operation at York County hospital, Newmarket, last week, is progressing favorably.

ATTEND FELLOWSHIP

Harold and Betty Moddle and Nora Graham, Vandorf, attended the inter-school Christian fellowship at Port Sydney last week. Harold is president of the students' Christian fellowship group at Aurora high school.

DOWN THE CENTRE

Acc Yake of the Royal Regiment sends a cheery note from the 13th Canadian General Hospital where he is recovering from battle wounds: "Just a line to say hello to all my friends in Aurora and Newmarket. I'm still an invalid as I just had my wound sewed up on Saturday last (Aug. 5). It is healing nicely and I hope soon to be well once more and in sports again. Guess it will be to the credit of penicillin, our famous cure-all. My platoon officer, Larry O'Connor, the great hunter, formerly at Newmarket camp, received a wound but he is at another hospital. He was a great guy to lead our gang on."

"Sonny Jones, the former welter champion of Canada, fights on with our outfit as a corporal. Bet he will be grand at hand-to-hand battling. Guess you people were surprised to hear the Royals were having another whack at the great super soldiers. They are good but they just haven't got what it takes to stop real runs by the Canadians. Haven't seen any Aurora boys for a long time but we will celebrate with them all when we have our big celebration and victory march." We were pleased to get the note and we know you will be glad to find the irrepressible Floyd in such good spirits.

Joe Schertzi, the big Hungarian farm boy from Milton who set the junior hockey fans agog a few years back and was a big favorite in Aurora and Newmarket even if on an opposing team, has developed into a pretty fair lacrosse player this season. Joe, who is a sure pop for the Boston Bruins defence in peacetime, started the season with the Norval team but has moved to the Brampton senior team which is beginning to get places in the senior O.A.L.A. race after a poor start.

Barrie Colts are certain to be real contenders for hockey honors next winter. They have arrived at a working arrangement with the revived St. Louis Flyers. Coached this year by Happy Emms of Barrie, and in return for first call on their players they will receive certain farm players and a coach from St. Louis as well perhaps as some financial support. Barrie moves into a favored spot with such teams as Galt (Detroit), Hamilton (Buffalo), St. Mike's (Toronto), Brantford, Oshawa, Owen Sound and other centres. We think they are the only club playing on natural ice to have such a high up. It is true, the men in charge at Newmarket, Aurora and Richmond Hill began to look to the future and get some similar arrangement. It can be done too if properly looked after.

Rev. J. H. Colclough of Thornhill, one of the district's better bowlers and who often teams in tournament play with some of the Aurora players, has moved to the parish of Christ church at Oshawa after six years at Trinity Anglican at Thornhill. Mr. Colclough will be missed in district bowling circles.

We hear along the grapevine that George Dudley of Midland, past president of the O.H.A. and C.A.H.A., is being boosted in certain quarters for the presidency of the National Hockey league as successor to Red Dutton, who is reported as definitely retiring this season. Mr. Dudley is a lawyer by profession, and is deservedly popular throughout the O.H.A. and would make a fine president. He has been a good friend to small town Ontario, and Aurora and Newmarket teams received some fine support from him in time of need in other years. We hope he is the choice of the governors, but there's many a slip while reaching for such a fine post.

Gordy Fanning, former Aurora Tiger hockeyist from the Willowdale district, is still stationed at Kingston with the Ordnance Corps and is playing a nifty game at shortstop for the soldier softballers who are out in front in the Kingston City league. Word has been received of another well-known Willowdale hockey player, L. Cpl. Ron. Watts, who went overseas with the Essex Scottish. Ron is reported missing in France. He played goal for the good North York A.C. junior team and just missed playing the nets for Aurora Tigers by a couple of hours, leaving his home about the time yours truly and Charlie Malloy were on their way to sign him to a certificate. Ron went north and South Porcupine wouldn't release him to come back as he wanted to do. He came south the same winter with the N.O.H.A. junior representatives and played a dandy game. His wife and parents reside in Willowdale.

Sparky Vail is still playing baseball and right now is having one of his best years as a member of the McIntyre team in the Timmins district league. The McIntyre team is right in the thick of things with Vail and a soldier by the name of McShane, who pitched for Army Daggers last summer, doing the tossing. Vail pitched only fair ball for Aurora Blue Ribbons, but like his hockey, when he is really in the mood he is some pumpkins.

Billie planned to leave America. We are not endeavoring to become a foreign news expert or editorial writer but merely giving you the name of a new book shortly to be published by Bill Carr, father of the young North York hockey hero, Frank Carr, ex-president of the Richmond Hill club and vice-president of Aurora juniors the year they went through to a title.

Mr. Carr is now Lt.-Commander William Guy Carr of the navy and has been on active service since the beginning of the war. He commanded a submarine in the Great War and this time has been doing important work in Labrador and the east coast, especially dealing with convoys and rescue work. Now he is attached to the staff of the commodore and has been giving lectures at various naval centres across Canada. His new book will be his seventh and I know many of you will watch for its appearance.

Frankie Carr, the sure-footed goal kid of 1933, is now serving in action in France and is well and fit at last reports. But for the war he might have made professional hockey. An older brother, Bill Jr., Port Hope, visited Mrs. Carr's sisters, Mrs. Hilborn and Mrs. Rogart, and Mr. and Mrs. Frank Curtis, had the unique experience of play-

ing for Richmond Hill, Aurora and Newmarket in three successive years. He was stationed briefly at Newmarket camp and also played with Marlboro's juniors.

Hockey rules are much like married life. You just get used to something when it's changed. Last year the new redline was introduced and we thought worked pretty good for making the game more even. A good amendment, however, says a team must now be in possession of the puck for a carrying it across the centre ice redline. When shot across the offence will be treated as 'icing' the puck with a face-off in the opposing team's end of the arena.

Other changes include a minor penalty for delaying the game, players who have a broken stick must take the part in their hands to the player's bench, club officials guilty of misconduct will be put off the bench and a goaltender, believe it or not, will not be allowed to pile snow or other obstacles to hinder once when Detroit actually did propose that Turk Broda (now overseas) was making a barrier of snow scrapings in front of the Maple Leaf goal.

Art Ross of Boston is said to be responsible for most of the changes. Bob Peters, Tommy Myers, Ewart Pinder, Stew. Patrick and Herbie Holman won't have to worry too much about this year's changes.

Del. Braumont, for two years a favorite with district hockey fans and captain of the last Aurora junior hockey team, according to the advice we receive is now a sergeant with the R.C.A.F. and is stationed at Pearce, Alta., taking further training before proceeding overseas.

Claremont held a big field day last Saturday featuring a soccer game in the evening. It is not so long ago that this district was producing soccer teams as good as any in the country. Green Rivers Beavers, near Claremont, were the topdogs of rural soccer from 1883 until 1888 and in that five-year period were never beaten in close to 100 contests, one of the most unusual athletic records of the district, according to one of our older friends who reads this column. Green River Stars, of the 30's are other teams whose story should someday be recorded for posterity.

If we recall rightly Aurora high school once went six years without losing or drawing a secondary school soccer match but, of course, they averaged only six to eight games a year. Still, it's a record hard to match. We would appreciate having more of these unusual sports incidents reported to us.

Wyebidge is only a small hamlet near Midland but it well indicates what can be done in a sports way almost any place. The girls of the district have organized a girls' football club which is capable by actual demonstration of defeating such centres as Barrie, Collingwood and Orillia. Of course the club is very fortunate in having a first-rate pitcher in the person of Miss Muriel Rawn, who is quite capable of holding her own in any company.

A men's softball club is playing in district league and, strange as it may seem, there are three girls playing including Miss Rawn. The girls are treated as any other players on the team by the opposing teams and they ask no quarter. In fact the Wyebidge team is about as good as any club in the league.

Alex. Stewart and Lieut. Life of Newmarket camp are putting the finishing touches on their track team this week with an eye to the C.A.C. at home to be held at Camp Borden on Sept. 3. The present year has been one of the best in the history of the camp so far as track goes and they have on hand a fine collection of athletes who swept aside strong opposition in late July to take the M.D. 2 track championships at Hamilton.

Cpl. Jack Life, who featured at hockey last winter, heads the sprinters. Reg. Pownall, Tommy Jamieson, Alistair Cameron, Hubert Sullivan and Joe Stevens head the team which is improving every week. By Sunday they should be ready to give their best. They will have tough opposition in every event from the other six armored centres, especially from No. 2 C.A.C.T.R. which finished second in the Camp Borden championships with such athletes as Hugh Taylor, the army high jump champion, Hal Harrison, Calgary Bronks footballer, Lieut. Jimmy Holmes, ex-Newmarket ace sprinter, Peter Kingmill, Jimmy Dale and Cliff McCollm of the good Brampton cross-country team, and George Ellis, sensational pole vaulter from Kelowna, B.C.

The public are invited to attend the event which also features a beauty show, baby show and many other interesting and unusual features. The main events get underway at 1.30 p.m. with preliminaries slated for 10.30 in the morning. All that is needed is good weather for a big day. You will find a welcome waiting you at Camp Borden.

New Sports rules issued by army officials prevent army players from performing with civilian teams in any sport. Army teams may play in purely army leagues as at present and the rules have been extended to permit the soldier boys to play against civilian teams in leagues until the regular schedule is finished. Apparently they can not enter play-offs and as before, of course, can't go after district, provincial or dominion honors in any sport. The district officer commanding has some discretionary power which is not apparent yet and it would seem in some special cases the general rules might be varied to some extent.

The rules say "special cases" and these two little words will doubtless get a lot of different interpretations across Canada. The idea the army has in mind is to provide sports for as many as possible rather than the highly specialized athlete, a good idea, but we see no reason why army teams cannot play through for a group title after playing a whole season against civilian teams.

W.I. BUSY WITH DITTY BAGS, SOLDIERS' BOXES

The W.I. met at the home of Mrs. Badger last Wednesday. Mrs. Emmett's paper on vitamins was interesting. The ladies were keenly attentive when Mrs. Mills demonstrated her speedy method of dressing a broiler. Mrs. H. J. Charles, Mrs. Frank Underhill and Mr. Stewart from Aurora were guests.

Mrs. Charles, past district secretary, was able to tell the meeting about Snowball's donation to the district fund for York County hospital in their first appeal for the obstetrical ward in 1926. This time Snowball voted \$10 to the district fund for some furniture for the maternity wing.

Mrs. Underhill and Mr. Stewart made an appeal for the Navy League. The filling of ditty bags is the urgent war work of the W.I. for the next two weeks. The Institute decided to arrange a dance at Middlebrook's hall, Armitage, for Friday. The proceeds will be used to buy comforts for ditty bags.

Plans were made for packing and sending Christmas boxes to the boys overseas. The convener reported cigarettes sent last month. Regret was expressed that one of the Snowball boys, Donnie Gleave, had been killed in action in France.

The September meeting will be held at the home of Mrs. Owen Barr.

Mrs. Leslie Kerr spent a few days last week with Mr. and Mrs. Wm. Davison.

Mrs. Norman Haines and daughter, Charlene, of Toronto are holidaying at the home of Mr. and Mrs. Harry Haines.

Mrs. Alvin Ridley has returned from a visit with friends at Brockville.

Mrs. Emmett spent last Wednesday in Toronto.

Mrs. Thomas Hall, Toronto, who has been visiting at the home of her son, Mr. Leonard Hall, has returned home.

Mr. Albert Barr was a Sunday guest of Mr. and Mrs. Bodfish.

Misses Nora and Loretta Anderson, Toronto, are holidaying at the

complete the present seasons and seek league titles at least. As the war progresses we can probably expect still other rules on the subject.

Bruce Stephens, Richmond Hill, who played junior hockey two years with Aurora juniors and was a standout at basketball, track, rifle shooting among other sports, has been posted to Maitland, Nova Scotia, as a pilot officer instructor with the R.C.A.F. Bruce, who is just 20, is a mighty fine type of boy and was deservedly popular with his fellow players and the fans.

Brian Thompson, big, dark-haired Sutton boy who was a teammate of Stephens in 1942, is serving overseas with the air force. Thompson started with Sutton juniors and then in 1941 was drafted by Newmarket for the S.P.A. series. When the junior schedule was being drawn up at Newmarket, Sutton really intended to let Thompson, who was attending school in Toronto, play with the Redmen, until Frank Courtney and Bill Gilbey became involved in a verbal tiff, with the result Sutton refused to release Thompson and Aurora blocked him from canal-town. He played the season with a tallent Sutton team which is all pretty well on service, Keith Dunn, Tommy Porte, Jack Schmidt, Tom-

Internal Parasites Cost You Money

Mr. Farmer:

Are your hogs slow-growing, unthrifty, poor feeders? Worm infestation has a variety of symptoms, but one general result — poor, unthrifty pigs, that can't make the best use of their feed.

WORMS COST YOU MONEY — in wasted feeds, wasted time and poorer grades when they finally reach market!

SHUR-GAIN HOG WORMRID is a safe, effective treatment for hogs. It has many outstanding qualities.

1. It gets the worms.
2. It's safe to use.
3. It's easy to administer.
4. It's low in cost.

Hogs do not require a preliminary fasting, several hogs may be treated at once and no purge is required following treatment. In addition, it saves you labor, because it is supplied to the pigs mixed in dry, ground feed.

After treatment with SHUR-GAIN HOG WORMRID, get the pigs out on fresh, clean, temporary pasture, away from old permanent pastures that are heavily infested.

Some of the better players all
around the circuit will not, how-
ever, be able to qualify for midge-
t competition on the age score. The
town of Newmarket has offered, we
understand, to help the boys in any
outside baseball undertaking which
is to be highly commended. What-
ever the decision may be as to the
future of the Newmarket kids,

(Continued from Page 6)
my Crandall and other present-day
warriors being on the team.
With Newmarket and Sutton both
out of action last season, the
Thompson played with Charlie
Rowntree at Aurora and was a
pretty valuable man. Briar likes
England but is pretty well tied up
with night flying and other train-
ing. He says it stays much lighter
at night in England than over here.
Of that Aurora junior team, Don
Hamilton, Ross Tunbridge, Del.
Beaumont, Bruce Stephens, George
Stark, Ken Nash, Merv. Broughton,
Hal Capra, Eric Biltbrough, Lloyd
Houghton, Fred. Dillman, Myles
MacInnis and Thompson are all on
active service. Spare goalie, Frank
Hughes, has just turned 17.
Ralph Abrahamson and Joe Turnbull
are two who have lost track of. We
always thought that this team,
which was outplayed by Markham
and easily took Milton over the
season was a better balanced club
than the Aurora team which won
the championship in 1939.
Wally Samanski, the Whitby
centre star of last season and cur-
rently ticketed for Oshawa Gen-
erals, has been unsuccessfully sought
by Barrie Colts according to Ken
Walls. Samanski still has at least
another year at high school and,
with a ready-made opportunity at
his home doorstep, is hardly likely
to move elsewhere. The Hawks
team who was a real prospect for
professional ranks, is said to be
in the navy now.
On that subject, no junior club
of the district is likely to be caught
in the same group arrangement as
prevailed locally last winter. Once
bitten twice shy. Red Mathewson,
ex-Bradford, Newmarket hockeyist
whom we saw excel on the pool
table for the R.C.A.F. at Borden a
few months back, has really taken
to golf in earnest this year and was
good enough to win a regular place
on the R.C.A.F. team for tourna-
ment play. So if Red asks you for
a game one of these fine days you
can reckon on tough opposition
and you won't need to spot him
anything.
Bob Dales, now a pilot officer
with the air force out west, recent-
ly took a pole vault event at the
big Winnipeg western command
track and field meet with a vault
of 11'1". Bob was a member of the
Rivers team which took the com-
mand championship. We received
a clipping of a Winnipeg paper
from a friend out west who, while
he didn't see the meet, says that
P.O. Dales is Bob Dales. At any
rate, pole vault and the
Dales are practically synonymous.
That 11'1" mark is pretty good but
Bob can and has done better.
Seems hard to believe anybody can
go five feet higher but the great
Cornelius Warmerdam does. There
are many branches of sport where
Canadians will need to spend all
kinds of time in training before
they can hit the figures of other
nations.
Lefty Glover, the old left-hander
of other years for Newmarket soft-
ballers, came back into action the
other night for Sharon against a
Vandorf team in the Aurora town
park. Out of action for two years,
Glover none the less has much of
his old ability but lacked both con-
dition and the control. It wouldn't
take him many games however to
get going again.
The Eves brothers, of an always
doughty softball clan, were on hand
and were about in the same boat as
Lefty. Roy, Doug, and Ross
Eves were in action and all looked
pretty good. Garf. Wright, Bruce
Gregg, "Flash" Blunt, Bob. Shaw
and Don. Stokes completed the
Davidites team and Sharon could
soon turn out as good a team as a
few years back. The series with
Vandorf is to be resumed for sev-
eral games before the short days
get here. Farm time however is
not very suitable for softball.
Hal Botham, Morley Cook, Buck
Preston and Charlie Case of the old-
timers were going good for Van-
dort, with Doug and Norm Neigh
and Harry Eade completing the
farmer roster and several Aurora
lads like Eric Smith, Bill Mundell
and Bunny Loneragan rounding out
the team.
The team played one game
themselves and managed a hit off
Glover at that. (We told you earlier
he wasn't in shape and besides no-
body thinks we can run fast enough
to reach a base ahead of the ball).
Bobby Bell umpired the tilt and
he has been on hand for several of
the kid ball games. Bob deserves a
hand for his willingness to assume
a tough spot when a lot won't. He
calls them pretty good too and with
a few more games under his belt
will be one of the best available in
these parts. We saw some very
poor, if sincere and honest umpir-
ing, in the kid games this year and
we don't mean the Charlies (Case
and VanZant).
There is not much use putting
youngsters into action who know
little about the game for it only
spoils it and the kids really need
good umpiring right now. Necessi-
ty of course makes for strange
sights, which is again another way
of saying that a good many who
could do a good job have no time
to give to the kids.
Congratulations to the midget
Newmarket team who defeated
Aurora in two straight games and
then did likewise to the Hill, and
in one-sided contests, too. Both
Aurora and Hill finished higher in
the regular season but the VanZant-
Haskett aggregation was red hot
at the right time. Coach Upton,
the Hill pitcher, finished the season
on a sour note, lacking control and
with a bit too much early success
to do him any good.
Normie Stunden, the sensational
young goalie, tried to fill the breach
but didn't get the same support as
Upton generally got. We hope the
Newmarket men will give the boys
a chance to go on in the O.A.B.A.
but they might as well be prepared
for the worst. Still the boys have
deserved a crack at something big-
ger and better and the experience
will do them good. Reinforcements
could be secured from the other
teams in the league.
Some of the better players all
around the circuit will not, how-
ever, be able to qualify for midge-
t competition on the age score. The
town of Newmarket has offered, we
understand, to help the boys in any
outside baseball undertaking which
is to be highly commended. What-
ever the decision may be as to the
future of the Newmarket kids,

**Couple Celebrate 35th
Wedding Anniversary**
Mr. and Mrs. A. Van Dyk,
Hamilton, visited Mr. and Mrs.
J. Van Dyk during the week.
Rev. and Mrs. M. Schans cele-
brated their 35th wedding an-
niversary last Friday night.
The congregation met at the
Christian Reformed church and
held an enjoyable social evening
for the couple.
Mr. and Mrs. T. Easterhouse
went to Niagara Falls last week.
Miss Amy Hyma visited
friends in Burlington over the
weekend.

BETHEL
Threshing is pretty well under
way and the fields are nearly all
cleared of grain.
The farmers are finding it
difficult to plow as the ground
is so dry.
Mrs. J. S. Sweetman, Belle-
ville, spent a few days with her
son-in-law and daughter, Mr.
and Mrs. B. S. Huntley.
Miss Jean Huntley, who will
be attending Belleville high
school, spent a few days with
her parents, Mr. and Mrs. B. S.
Huntley. Jean has been spend-
ing some time with her uncle
and aunt, Mr. and Mrs. Geo.
Sweetman, Belleville.
Mrs. McKay, Detroit, Mich., is
spending a few weeks with her
brother-in-law and sister, Mr.
and Mrs. L. W. Richardson.
Mrs. Allen Cryderman, Sr.,
has returned home from the
Toronto General hospital and is
progressing favorably.
Rev. Walter Madden, Dunbar-
ton, supplied for Dr. H. J.
Pritchard, Sutton and Bethel,
and preached an inspiring ser-
mon from Matthew 10:39, "He
that loseth his life for my sake
shall find it."
A letter was read to the
scholars of Bethel Sunday-
school from Arthur Selby in
Italy, telling of his visit to St.
Peter's in Rome.
Bethel anniversary services
will be held on Sept. 24. The
speaker will be Deputy-Judge
L. V. Stewart, Toronto.

Mrs. W. McGenerty has re-
turned to Sharon after spending
three weeks with Mrs. J. J.
Terry.
Mr. Joe Durham and family,
Ajax, and Mr. and Mrs. Lead-
better, Newmarket, spent Fri-
day evening at Mrs. C. Wright's.
The tea held last Wednesday
at the home of Mrs. R. Strasser
in aid of the Red Cross was a
decided success. Proceeds
amounted to over \$80.
Rev. F. W. Madden, Dunbar-
ton, spent the weekend with Mr.
and Mrs. Wilbert Dew, and con-
ducted church services in the
Sutton circuit.
Lewis Rolling Still Missing
There is still no trace of Lewis
Rolling, who disappeared from
his home two weeks ago.

Sharon
Mr. and Mrs. E. R. Fry and
Mr. and Mrs. Alan Shaw spent a
few days last week at Hawke
Lake.
Miss Irene Lockie, Zephyr,
visited her cousin, Mrs. Fife, last
week.
Mrs. J. Moore, Mount Albert,
Miss G. L. Moore, Toronto, and
Messrs. Fred and George Shaw,
Sutton, visited Miss Nora Shaw
last Wednesday.
Mrs. Wreggit and Miss Hilda
Rose spent last Thursday at
Queensville with Mr. and Mrs.
Frank Ostley.
Master Pearson Jarvis, Toron-
to, is spending this week with
Bob Shaw.
Mr. and Mrs. Albert Hillaby,
Richmond Hill, and Mrs. Wil-
liamson visited Mr. and Mrs. E.
R. Fry on Sunday evening.
Mr. and Mrs. G. Chadwick,
Mr. and Mrs. Pat Reid and fam-
ily, Mr. and Mrs. Norman Reid
and Mrs. William Brown and
Ann, Gormley, spent Sunday
with Mr. and Mrs. R. J. Ash,
Howard and Noel, at Midhurst
Park.
The regular service at the
United church will be held on
Sunday at 7.30 p.m. Sunday-
school will be at 10.30 a.m.
Mr. and Mrs. Oscar Robertson
and Margaret of Fort Erie vis-
ited at Mr. Fred Hall's last week.
Mr. and Mrs. Alan Shaw spent
the weekend in Toronto with
Mr. and Mrs. Imrie Jarvis.
Mr. and Mrs. Max Glover,
Toronto, spent a few days with
Mrs. Harvey Glover last week.
Mr. and Mrs. Lorne Baker and
Lloyd, Newmarket, and Mr. and
Mrs. Welly Stevens, Sharon,
spent the weekend at Fair-
haven's Bible conference, Game-
bridge.

Some of the better players all
around the circuit will not, how-
ever, be able to qualify for midget
competition on the age score. The
town of Newmarket has offered, we
understand, to help the boys in any
outside baseball undertaking which
is to be highly commended. What-
ever the decision may be as to the
future of the Newmarket kids,

(Continued from Page 6)
my Crandall and other present-day
warriors being on the team.
With Newmarket and Sutton both
out of action the next season,
Thompson played with Charlie
Rowntree at Aurora and was a
pretty valuable man. Brian likes
England but is pretty well tied up
with nightingales and other train-
ing. He says it stays much lighter
at night in England than over here.
Of that Aurora junior team, Don
Hamilton, Ross Tunbridge, Del
Beaumont, Bruce Stephens, George
Stark, Ken Nash, Merr. Broughton,
Hal Capra, Eric Ellibrough, Lloyd
Houghton, Fred. Dillman, Myles
MacInnis and Thompson are all on
active service. Spare goalie, Frank
Hughes, has just turned 18 and
Ralph Abrahams and Joe Turnbull
are two always in the track of. We
always thought that this team,
which was outplayed by Markham
and easily took Milton over the
season was a better balanced club
than the Aurora team which won
the championship in 1939.
Wally Samanski, the Whitby
centre star of last season and cur-
rently ticketed for Oshawa Gener-
als, has been unsuccessfully sought
by Barrie Colts according to Ken
Walls. Samanski still has at least
another year at high school and,
with a ready made opportunity
in the minors, is hardly likely to
leave. Fred Hardin, the blonde
winger of the Whitby team who
was a real prospect for profes-
sional ranks, is said to be in
the navy now.
On that subject, no junior club
of the district is likely to be caught
in the same group arrangement as
prevailed locally last winter. Once
bitten twice shy. Red Mathewson,
ex-Bradford, Newmarket hockeyist
whom we saw excel on the pool
table for the R.C.A.F. at Borden a
few months back, has really taken
to golf in earnest this year and was
good enough to win a regular place
on the R.C.A.F. team for tourna-
ment play. So if Red asks you for
a game one of these fine days you
can reckon on tough opposition
and you won't need to spot him
anything.
Bob Dales, now a pilot officer
with the air force out west, recent-
ly took a pole vault event at the
big Winnipeg western command
track and field meet with a vault
of 11'7". Bob was a member of the
Rivers team which took the com-
mand championship. We received
a clipping of a Winnipeg paper
from a friend who said that while
he didn't see the meet, says that
P.O. Dales is Bob Dales. At any
rate, pole vault and the name
Dales are practically synonymous.
That 11'7" mark is pretty good but
Bob can and has done better.
Seems hard to believe anybody can
go five feet higher but the great
Cornelius Warmerdam does. There
are many branches of sport where
Canadians will need to spend all
kinds of time in training before
they can hit the figures of other
nations.
Lefty Glover, the old left-hander
of other years for Newmarket soft-
ballers, came back into action the
other night for Sharon against a
Vandorf team in the Aurora town
park. Out of action for two years,
Glover none the less has much of
his old ability but lacked both con-
dition and the control. It wouldn't
take him many games however to
get going again.
The Eves brothers, of an always
doughty softball clan, were on hand
and were about in the same boat
as Lefty. Roy, Doug and Ross
Eves were in action and all looked
pretty good. Garf. Wright, Bruce
Gregg, "Flash" Blunt, Bob. Shaw
and Don Stokes completed the
Davidites team and Sharon could
soon turn out as good a team as a
few years back. The series with
Vandorf is to be resumed for sev-
eral games before the short days
get here. Farm time however is
not very suitable for softball.
Hal Botham, Morley Cook, Buck
Preston and Charlie Case of the old-
timers were going good for Van-
durf, with Doug and Norm Neigh
and Harry Eade completing the
farmer roster and several Aurora
lads like Eric Smith, Bill Mundell
and Bunny Lonergan rounding out
the team. We played one inning
ourselves and managed a hit off
Glover at that. (We told you earlier
he wasn't in shape and besides no-
body thinks we can run fast enough
to reach a base ahead of the ball).
Bobby Bell umpired the tilt and
he has been on hand for several of
the kid ball games. Bob deserves a
hand for his willingness to assume
a tough spot when a lot won't. He
calls them pretty good too and with
a few more games under his belt
will be one of the best available in
these parts. We saw some very
poor, if sincere and honest umpir-
ing, in the kid games this year and
we don't mean the Charlies (Case
and VanZant).
There is not much use putting
youngsters into action who know
little about the game for it only
spoils it and the kids really need
good umpiring right now. Necessi-
ty of course makes for strange
sights, which is again another way
of saying that a good many who
could do a good job have no time
to give to the kids.
Congratulations to the midget
Newmarket team who defeated
Aurora in two straight games and
then did likewise to the Hill, and
in one-sided contests, too. Both
Aurora and Hill finished higher in
the regular season but the VanZant-
Haskett aggregation were red hot
at the right times. Gooch Upton,
the Hill pitcher, finished the season
on a sour note, lacking control and
with a bit too much early success
to do him any good.
Normie Stunden, the sensational
young goalie, tried to fill the breach
but didn't get the same support as
Upton generally got. We hope the
Newmarket net will give the boys a
chance to go on in the O.A.B.A.
but they might as well be prepared
for the worst. Still the boys have
deserved a crack at something big-
ger and better and the experience
will do them good. Reinforcements
could be secured from the other
teams in the league.
Some of the better players all
around the circuit will not, how-
ever, be able to qualify for midget
competition on the age score. The
town of Newmarket has offered, we
understand, to help the boys in any
outside baseball undertaking which
is to be highly commended. What-
ever the decision may be as to the
future of the Newmarket kids,

Mr. and Mrs. A. Van Dyk,
Hamilton, visited Mr. and Mrs.
J. Van Dyk during the week.
Rev. and Mrs. M. Schans cele-
brated their 35th wedding an-
niversary last Friday night.
The congregation met at the
Christian Reformed church and
held an enjoyable social evening
for the couple.
Mr. and Mrs. T. Easterhouse
went to Niagara Falls last week.
Miss Amy Hyma visited
friends in Burlington over the
weekend.

BETHEL
Threshing is pretty well under
way and the fields are nearly all
cleared of grain.
The farmers are finding it
difficult to plow as the ground
is so dry.
Mrs. J. S. Sweetman, Belle-
ville, spent a few days with her
son-in-law and daughter, Mr.
and Mrs. B. S. Huntley.
Miss Jean Huntley, who will
be attending Belleville high
school, spent a few days with
her parents, Mr. and Mrs. B. S.
Huntley. Jean has been spend-
ing some time with her uncle
and aunt, Mr. and Mrs. Geo.
Sweetman, Belleville.
Mrs. McKay, Detroit, Mich., is
spending a few weeks with her
brother-in-law and sister, Mr.
and Mrs. L. W. Richardson.
Mrs. Allen Cryderman, Sr.,
has returned home from the
Toronto General hospital and is
progressing favorably.
Rev. Walter Madden, Dunbar-
ton, supplied for Dr. H. J.
Pritchard, Sutton and Bethel,
and preached an inspiring ser-
mon from Matthew 10:39, "He
that loseth his life for my sake
shall find it."
